EXPERIENCE

Design at UCI

Design-a-thon 2024

2024

Participated in a national two-day competition to design an app.

- Designed an app that provided a platform for users to sustainably trade clothing and create outfit visuals.
- Worked with a team to design and prototype the app in a two-day time frame.

Design at UCI, Project Teams

2024

Winning Team (Winter 2024)

People's Choice Award (Winter 2024)

App design professionally judged competition with University of California Irvine's Design Club.

- Digitally created graphics, a logo, and a mascot for a cooking and culture learning app.
- Worked on optimal UI/UX design for the app.
- Collaborated with peers to design the app in a fast-paced, nine-week time frame.

Made with Love at UCI

2024

Board Intern

Interned for a university organization focused on service and community building through crafting.

- Created graphics for social media accounts.
- Coordinated with fellow interns to plan a fundraiser.
- Shadowed Social Media Coordinator and Secretary Board positions.

Ulta Beauty

2024 -

Task Associate

- Set up ad displays, sort products, and aesthetically organize shelves to make the store front look presentable.
- Work with a team to aid customers in finding products and fulfilling online orders for pick up.
- Communicate with customers to facilitate an efficient and pleasant guest experience.

National Honors Society

2019-2022

Induction Committee Chair (2021-2022)

Dedicated time to highschool and local community through volunteer service.

- Conducted and managed scheduling of committee meetings.
- Managed subcommittees and directed purchasing of needed supplies.
- Organized the event and oversaw the induction of new members to ensure efficiency.

Landscape Design

2021

Designed a diagram of a three-tiered fountain for residential landscaping.

- Created a design in order to help the customer visualize the product.
- Collaborated with landscaper on measurements and features of the product.
